

SUNDAY PREVIEW FROM PASTOR NEAL

"Charity and I have been married 12+ years now. I came into our marriage as an eternal optimist (which I still am) but quickly learned that married life involves submitting to each other. Through the years, we've learned to work well together in both good times and rough times. These different life experiences have grown our marriage and made it stronger. This Sunday, as we look at Acts 15:1-35 we'll see how a dispute that threatened the unity of the church ultimately strengthened it."

We can't wait to see you at 10:30 a.m. for our worship service. After the tragedy that struck Las Vegas this week, people will be more open to returning to God, so be ready to invite a friend to join you at church this weekend.
