SUNDAY PREVIEW FROM PASTOR NEAL

During the summer of 2009, I felt spiritually stalled; it was like my relationship with God had hit a wall. Looking back, it doesn't shock me I was feeling this way. So much was changing in my life and all of it impacted my relationship with God. My seminary load was increasing, Charity and I were adjusting to parenthood, and the church I was serving in was struggling. It seemed like the perfect storm had arrived. Thankfully, God surrounded me with amazing people who invested in my life and helped me navigate rough waters. Please Join us this Sunday at 10:30 AM as we examine some practical steps we can take to assure we are growing spiritually.
