SUNDAY PREVIEW FROM PASTOR NEAL

As many of you know, my mom had brain surgery less than a week ago. It was one of the craziest things I've been through as a son. But through this time, I've had dozens, almost hundreds, of friends contact me and let me know that they were praying for me. I have almost never felt so encouraged in my life as I have over the last six days.

It's interesting how the timing of this coincides with our study in the book of Acts. This Sunday in Acts 20 we're going to see Paul going out of his way to encourage the local church. I hope to see you all this Sunday at 10:30 AM.
