

SUNDAY PREVIEW

Throughout the book of Acts, we see the story of the early church and its exponential growth. One of the reasons we see such explosive growth in the Church during its earliest days is because early believers knew it was better to please God than to please others. Men and women gave up everything they had, sold their possessions, stepped out in faith and left their homes to tell others about Christ. These men and women were persecuted for their faith. Some lost their lives, some were rejected and others became outcasts.

This Sunday we're going to see Paul share his story with a king! A humble Jewish man gets to tell a king about the love of God and the promised Messiah. Paul's faith in Christ has inspired many believers to live a life like his. Paul's passion to share Christ motivates us to tell others about Jesus. Join us **Sunday morning at 10:30 AM** as we study Acts 26.

HOW TO SHARE YOUR FAITH CLASS

February's "How to Share Your Faith Class" had such a great response that we're going to host it again on Sunday, **March 11** at 9 a.m. in Fireside Room.

BUSINESS MEETING

Over the past several months, God has done some exciting things at Coastline. We've seen evidence of people finding and following Jesus, we've experienced growth, and we've been blessed by your generous giving. We are currently 4 months into our budget year and are on track to make our budget ahead of schedule. On Sunday, March 11, we will present an amended budget for your approval at a special called business meeting immediately following the morning service. [Please click here to review the proposed changes.](#) We believe the budget amendments will increase our ministry impact on campus and in our community. At the business meeting, we will also seek approval to amend the church's Articles of Incorporation to change our official name from "First Baptist Church of Ventura" to "Coastline Bible Church." If you have any questions concerning the proposed changes to the budget or Articles of Incorporation, email [David Glenn](#) or speak with an elder representative on the patio after Sunday's service.

MARCH FOOD ITEM

This month join us in collecting peanut butter for the food pantry at Project Understanding! Donations may be placed in the basket in the lobby.
