

## SUNDAY PREVIEW FROM PASTOR NEAL

Have you ever planned a trip and it went horribly wrong? In November 2010, my brother-in-law got married and went to Long Beach for a week long cruise. Less than 24 hours into the cruise there was a fire that broke out and the ship was a lame duck in the water. The power was out, the food was less than desirable, and the entire situation was a mess. My brother-in-law was obviously disappointed.

There are times in our lives that plans don't work out how we imagined. We get a flat tire and are late. We hit every red light. We realize our phone didn't charge last night. Sometimes there is a fire while on your honeymoon! This weekend we're going to see that Paul hit troubled waters on his way to Rome. Join us this **Sunday at 10:30 AM** as we near the end of our sermon series in the book of Acts.

## BUSINESS MEETING

Over the past several months, God has done some exciting things at Coastline. We've seen evidence of people finding and following Jesus, we've experienced growth, and we've been blessed by your generous giving. We are currently 4 months into our budget year and are on track to make our budget ahead of schedule. On **Sunday, March 11**, we will present an amended budget for your approval at a special called business meeting immediately following the morning service. [Please click here to review the proposed changes.](#) We believe the budget amendments will increase our ministry impact on campus and in our community. At the business meeting, we will also seek approval to amend the church's Articles of Incorporation to change our official name from "First Baptist Church of Ventura" to "Coastline Bible Church." If you have any questions concerning the proposed changes to the budget or Articles of Incorporation, email [David Glenn](#) or speak with an elder representative on the patio after Sunday's service.
