

One year ago, Coastline cast a new vision for our church. The vision will take us to the 100-year anniversary of Coastline serving Ventura, the county, and reaching the world. This vision is a God-sized goal that will require all of us stacking hands to unite on. There is no better time to refocus our lives. Today is the day to recalibrate ourselves back to the holy truth of God. COVID-19 has provided the Church an opportunity to seek the Lord in a new way. This season has given us the chance to examine how we are living on mission for Jesus. Our vision is to reach 800 people, baptize 50 people, and have 35 small groups by Easter 2022.

1. Neal shared about being a young boy and learning a short song about the church. He reminded us that the church was never intended to be a building but the holy people of God. How does this resonate with you?
2. Read Acts 3. Take notice of verse 6 where Peter addresses the power in Jesus' name. Then in verses 11-24, Peter shares the greatness of God's plan. When you share your faith how do you like to engage people for Jesus?
3. As a part of our vision, we are writing down the names of five people to pray for every day. Share the names of the five people you are praying for. Did you set a reminder at 5pm to pray for them every day?
4. Read Acts 4:8-13. The passage starts with Peter being filled with the Holy Spirit. Read John 14:15-17, Acts 2:4, Acts 9:17, and Ephesians 5:18. What changes in a person when they are filled with the Holy Spirit?
5. One aspect of our vision is to baptize 50 people. Read these passages and talk about the importance of baptism: Matthew 3:13-17, Matthew 28:18-20, and Titus 3:4-5. What is our responsibility, as believers, in baptism?
6. Read Acts 2:42-47 and Hebrews 10:24-25. What does Scripture teach us about gathering together? Is God asking your small group to multiply? Is God tugging on your heart to launch a small group to reach people who need Jesus?
7. Talk about how this small group, or another group, helped you walk through a tough time in your life. Think about how being involved in community impacted your spiritual development. Who do you know that needs something like that?
8. Close your time in prayer. Pray for the vision God has given Coastline.
